# community impact

## FY17 YEAR IN REVIEW

While Family Service of Glencoe's clinical work is confidential, your donation is **personal and meaningful** to friends and neighbors who are courageously seeking support for anxiety, depression, bullying, addiction and other challenges. **Your gift has great impact.**

The **24% increase** in clients served in the last three years demonstrates FSG's reputation for professionalism and discretion along with our community's support of mental health.

Percentage of clients receiving services on our sliding-fee scale based on income and other circumstances.

Counseling demand and client financial need remain high.

Benefit proceeds help subsidize their care.

**130** parents gathered monthly for discussion groups in an effort to raise emotionally healthy children

**10** community education programs addressing tough subjects like sex education and teen suicide

pilot efforts for expanded senior program:

- monthly senior discussion group
- intergenerational legacy project

**26** crisis calls answered around the clock by an FSG social worker alongside Glencoe Public Safety

**17** individuals received direct financial assistance for utility bills, basic needs, or transportation
