

JOB OPPORTUNITY ANNOUNCEMENT
STAFF THERAPIST
FULL TIME AND PART TIME POSITIONS
AVAILABLE IMMEDIATELY

About Family Service of Glencoe: Rooted in Glencoe for more than 100 years, FSG is a community asset with a unique understanding of the northern suburbs. Our clinicians serve individuals, families, couples, children and adolescents. Glencoe is a village of approximately 8,000 people located on the Northshore of Chicago and on the Metra train line. Our work environment is professional, dynamic, innovative, and compassionate. FSG is fully integrated into the tight-knit community of Glencoe, which provides unique opportunities to engage in prevention, collaboration, and service delivery for clients and the community at large.

The Staff Therapist will have the opportunity to work with children, youth, adults, couples, and families to address challenging social and emotional issues. Position-specific responsibilities include:

- Provide individual, couples, and/or family therapy utilizing an accepted clinical framework.
- Complete intake assessments, treatment plans, progress notes, and discharge summaries using our electronic medical record system.
- Provide client casework services to address clinical social service needs.
- Provides crisis intervention services in partnership with Glencoe Public Safety.
- Work collaboratively with a range of community partners and FSG colleagues to plan and deliver education programs and events.
- Assess client risk of harm, provides appropriate safety planning, and completes required reporting.
- Adhere to professional standards of practice regarding clinical care and HIPAA.

The Staff Therapist must be able to interact in a supportive and professional manner with clients, staff, board and community with the ability to respond effectively in crisis situations. The person in this position must work well in a small office team environment and be open to change as Family Service of Glencoe continues to grow. FSG is currently working in a hybrid model and will transition to primarily onsite as the public health conditions allow.

Qualifications: The successful candidate will possess:

- ✓ Master's degree in Social Work, Clinical Mental Health Counseling, or related field
- ✓ Illinois state provisional (required) or full clinical licensure (preferred)
- ✓ Strong verbal and written communication skills (Bilingual Spanish preferred)
- ✓ Strong organizational skills with attention to detail and accuracy
- ✓ Strong work ethic and self-motivation
- ✓ Proficiency with Office 365 or equivalent
- ✓ Full vaccination against COVID-19

Preference will be given to candidates with additional training and certifications in alcohol/substance abuse treatment, training and experience in trauma informed care, and/or training and experience in marital and family therapy.

Compensation: Family Service of Glencoe has a competitive a benefits and compensation plan including retirement plan matching for full time staff, dependent on employee qualifications, training and experience. Salary range for full time clinicians is \$60,000-\$67,000.
